Teamwork is serious business, and as business professionals ourselves, we understand the demands of a working group.

ACCUS is developed to cater that in mind, with features that caters the needs of a worker that applies multiple appliances for their duties, while is easy to collaborate with the rest of the group. Excellent functionality, clean lines and practical, **ACCUS** is a great investment for your team.

Perfect triangle leg handcraft, elegant and unique design, through our continuous effort in quality management

Acrylic portable screen provides privacy

For less clutter ACCUS allows access to power socket outlet from beneath the table top through a hatch cover. The table can house cable management options such as double flip doors with brushed edge to conceal power, data and telephone

Cable management system attractively designed and protect the cables on their way from floor to desktop
