

FLEX

future at work™

FLEX is conceptualized to meet the rapid changing need of today's ever progressive offices. It provides intelligent solutions to your office space planning and also creates a superb outlook to your working environment.

For less clutter FLEX allows access to the power socket outlet from beneath the table top through a hatch cover. The table can house cable management options such as double flip doors with brushed edge to conceal power, data, and telephone outlets.

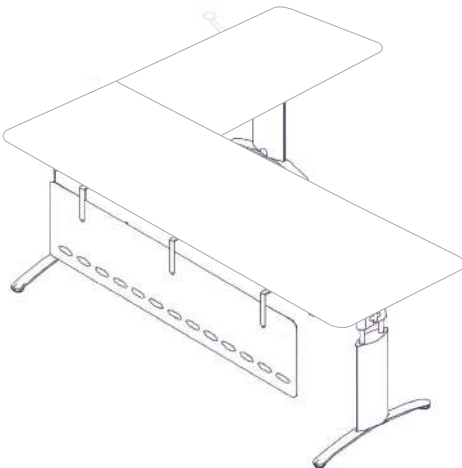

Provides privacy and conceals wires in the form of an effective modesty panel, furthermore gives a sense of rigidity and durability.

FLEX's distinctive feature is at the legs connected to the tabletop, which creates a resemblance of higher elevation compared to the standard workstation. Coupled with contrasting colours, FLEX is an eye-catcher.

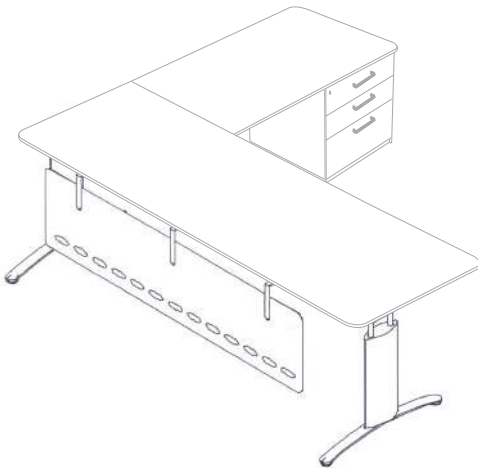

FLEX DESKING SPECIFICATION

L-SHAPE WORK SURFACE

FL-1
1800 (W) x 800 (D) x 900 (W) x 600 (D) x 750 (H)

FL-2
2100 (W) x 900 (D) x 900 (W) x 600 (D) x 750 (H)

L-SHAPE (with FIXED PEDESTAL)

FL-3
1800 (W) x 800 (D) x 900 (W) x 600 (D) x 750 (H)

FL-4
2100 (W) x 900 (D) x 900 (W) x 600 (D) x 750 (H)

STORAGE

MOBILE PEDESTAL

FL-5
415 (W) x 450 (D) x 550 (H)
