To excel in your education and achieve greatness in academics, being focused is essential. Another important aspect while studying is the need to be convenient while you're working and **FORTE** is the perfect furniture to fit those requirements.

Innovative in outlook, **FORTE** is also innovative in use, where the user has the ability to fold the furniture and store to free up space whenever necessary, and the castors fitted into the chair and tables allows you to shift each furniture from one place to another effortlessly. **FORTE**, the embodiment of excellence.

FORTE chairs and tables gives you the convenience to fold the furniture when not in use. The moulded seat of the chair is comforting when in use and the laminated table top made of solid wood promises longevity.

Specially designed to accommodate the modern education lifestyle, **FORTE** is sharp and appealing. Easily manageable, **FORTE** is a stackable furniture and is easy to shift to any desired position with the given castors.
