

BRING
CREATIVITY &
VITALITY
TO YOUR
WORK
SEATING

OFFICE SEATING FOR YOUR CUTTING WORKING STYLE.

GLANZ series is convincing sitting comfort and elegant design. The carefully selected material and solid upholstery structure guarantee many years of stability and durability. The backrest, as well as the depth and angle of seat individually adjust to your personally sitting habits when you shift your body weight. You feel these advantages as soon as you sit down. You will finally find the comfort which you have earned.

Synchronised mechanism with multiple locking positions. Height adjustable armrests ensure the correct arm-rest for total comfort and mobility.

Synchro mechanism with locking system.

Chromed metal base to enhance stability.
