770(H) X 1340(W) X 730(D)

**GO - 03**  
770(H) X 1890(W) X 730(D)

WYSEN reserves the right to introduce modifications and withdraw models for continuous improvement without prior notice.

Despite having undergone a makeover, simplicity continues to be the keyword for the quintessential lounge chair by Wysen. Whether as a one, two or three-seater, **GOLEM** maintains its clean and contemporary look with well-defined lines and design. The improved version also places more emphasis on comfort and durability that will last for years to come.

Sporting an all-black look complemented by an chromed stand, **GOLEM's** versatile appearance means that it will have no trouble blending into different surroundings, be it in an office's waiting area or in the living hall of a home.
