PURE
MIXE

An office chair has to feel comfortable and embody you while working, and this is achievable with **PURE**. It's a chair that comes well equipped with all the features to ensure you're at ease even after hours of work. The symbolism of **PURE** is accentuated on the chair frame and upholstery as we recreate the sense of purity in colour and function. Furthermore, with the addition of our newest 3D armrest and parts that allows an immersive experience, this is the best bang for buck option for you.

Multiple locking synchro mechanism provides an in depth reclining angle for your comfort

3D headrest that ensure an advanced form of comfort for your head

Fixed polypropylene armrest that cradles your arm for long periods of work

Additional lumbar support to reduce back strain

Aluminum base that is sturdier and provides stability than conventional base
