OCEAN series is suitable enough to be placed right at your home or in any office. The 360-degree swivel mechanism encourages movement and multitasking, while the adjustable height makes customization to your desk simple and easy. The classic design chair provides not only sleek, professional style, but also sophisticated support for all-day comfort.

Spring mechanism is incorporated into OCEAN series for ultra ergonomic comfort.

Extra thick lumbar support

Polypropylene PP fixed armrest

Spring mechanism with single locking system to assure maximum lumbar support to spine

PP base with nylon castor guaranteed for durability and strength
