OFFICE SEATING FOR YOUR CUTTING WORKING STYLE.

THINK series is convincing sitting comfort and elegant design. The carefully selected material and solid upholstery structure guarantee many years of stability and durability. The backrest, as well as the depth and angle of seat individually adjust to your personally sitting habits when you shift your body weight. You feel these advantages as soon as you sit down. You will finally find the comfort which you have earned.

Synchronized mechanism with multiple locking positions enables seating comfort.

Height adjustable backrest for better lumbar support.

Height, width and depth adjustable armrests with swivel to suit individual preferences.

Multilevels & positions headrest ensures you with great comfort.

The unique imported kne-tilt synchronized adjustment mechanism assures maximum lumbar support spine.

Aesthetically designed Nylon Rocket base provides strong support.
