DESIGN & PRACTICAL MADE ALIVE

MILANDO series of multi-purpose seating equipments are elegantly designed, to add a touch of sophistication to the environment.... whether to your office, public areas, function halls, lecture theatres or even your very own house....

With multiple colour choices to accentuate outdoor or indoor ambience, **MILANDO** provides optional upholstery to co-ordinate with different likes.

It's fabulous to have various mix & match options, stackable, swivel and linked models and other optional components such as armrests and writing tables, to caters different individual requirements.

MILANDO's excellent design and quality is the wise choice for the new millennium.

Designed to save space and tidy up your work area
